JODY BALYEAT CROWNED

OUEEN

A moment of silence, a final sweeping of butterflies and a voice over the loud speaker system saying, "The 1976 Homecoming queen is . . . Jody Balyeat!" With screams and cheers from the crowd, Jody was presented with her crown, flowers and trophy, as her smile glowed.

Homecoming came early this year, as it came in September on the 17th. School had just started and the excitement of homecoming week was in the air. With the hustle and bustle of learning class schedules and becoming involved in all the special activities the week holds, how could you help but be terribly excited?

Powder Puff this year came off quite well. First place went to the sophomore class, 2nd place went to the juniors, 3rd to the seniors and the freshmen, even though their enthusiasm was powerful, brought up the rear.

The night was completed by our super team winning over Northwestern, 35-0.

COACH SKIRVIN ENDS GREAT CAREER WITH NSC VICTORY

The 1976 season will be long remembered as one of the Jimmies most thrilling and successful seasons. In Gene Skirvins' last season as head football coach at J.H.S., "the cardiac kids" rallied, under his guidance and leadership, to an unpresidented 10-0-undefeated-untread season. The season was capped off with a district 10 play-off birth. Gene Skirvin's dedication and enthusiasm will be remembered in the hearts of his players and friends, and in our book, he'll always be #1. This past season's accomplishment will be long remembered as this man's greatest triumph. We, the cardiac kids, the players on the 1976 football team, would like to open our hearts and tip our hats to this great man among men. Thank you for everything.

Outstanding players this year were Bob Moore as Most Valuable and Jay Killian as Most Improved.

In Memory Of Mr. Ernest Holcslaw

I suppose putting this page at the beginning of this book would have been more appropriate . . , but not the fitting place for Mr. Holeslaw. We put him in the center where he always seemed to be. We put him in between the sports and the academics, which he supported unselfishly. In the two years he was with us, his support was known from day one. It was 100 \$\mathscr{I}\$, a true Jimmie. Even the night before his death, he shared with many the Jr.-Sr. Prom.

Always there, and certainly . . . always caring.

We Really Do Need Each Other

You know something
we're all just people who need each other.
We're all learning,
and we've all got a long journey ahead of us.
We've got to go together,
and if it takes all eternity
We better stay together
We better help each other out.
But no matter how long it takes
We've got to go together.
It's all of us
in love
in care

in support in mutuality— We really do need each other.

-Reuben Welch

FRESH-MEN

Spirit filled, active and involved, fitting in and sharing . . . are jut a few adjectives that describe the class of 1980. They came aboard the Jimmie wagon and supported each club, sport and activity they could possibly support.

During spirit week they decorated their hall and titled it "The Jimmie Jungle," and did a great job. You've supported us, now we support you . . . best of luck. Right--R. Lymongrover, K. Miller, B. Hyndman, and M. Clark.

THE UNFORGETTABLE PICTURES WE KEEP IN THIS BOOK... THE PLACES WE WENT THAT WILL NEVER CHANGE... THE PEOPLE WE MET WHO WILL NEVER GROW OLD.

Most everyone has heard the saying, "A penny for your thoughts." We need millions of dollars worth of thoughts to plan for the future. There's always tomotrow and we as individuals need to keep faith and hope in our future. But since there's always tomotrow and always that new thought, how valuable really is yesterday, it will never come again. You can never go back and change what you did. You can never be with that certain guy as you were that certain night. Or the prom will never be as dreamy as it was that one year and you'll never win that game like you did that one time. Value these years and don't waste them. My sincere hope is that this book will never let any of those very special memories slip away. God bless.
